Attention home renovation companies, flippers, handy persons...this is a SIX bedroom, 4 bathroom 2200sf home with great bones! This home features 2 fireplaces/ wood burning and gas/ it has TWO garages/ single and double detached. It has TWO newer furnaces, also has a boiler system, 200 amp service, newer shingles on the house and garages, TWO Air conditioning units, HUGE sunroom area. It could easily be suited as it has a separate entrance and there is already a second kitchen in the basement. The home has undergone extensive renos throughout the years but most new owners will look to make some changes to this HUGE family home. The home sits on a very large lot 757m2 and is a very short walk to the ravine. Edmonton's housing market is red hot and this is an amazing home with HUGE potential.
